THE GREAT VIC IS COMING TO TOWN!

Before **over 2,000** riders arrive to camp overnight and experience your community, join us for a **Community Meeting** to learn how your group or business can get involved.

We'll cover:

- **Fundraising opportunities** at the campsite, in town, or along the route
- **How local businesses** can make the most of the rider and visitor traffic
- **What to expect** when the event comes through your area

Everyone is welcome—community groups, sports clubs, schools, local traders, and more.
