Timboon P-12 School invites YOU to be a part of our TAP curriculum community

In STEM disciplines, Literacy, History, Geography, Commerce, The Arts and more, TAP is providing unique perspectives and applied learning opportunities to students from Years P-12. On farms, in rural businesses, across our community and at our P-12 campus, the TAP creates opportunities for students to underpin their learning with real-world experiences.

- In 2025 the TAP is proudly supported by the Gall, Uebergang, Jones and Vedmore Foundations
- TAP's On! 2025 proudly sponsored by Westpac Bank and Beach Energy
