

You're not alone

Strengthening Parents Support Program (SPSP) is a free service funded by the Victorian Government.

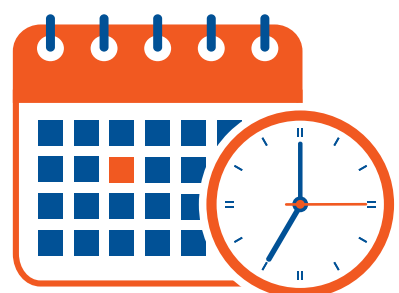

We support parents and carers of children between the ages of 0 – 18 with a disability or developmental delay.

Our supportive group and program offer a safe space to share experiences, find information and hear from experts on a range of topics. Come and enjoy a coffee and a chat with other parents and carers facing the same challenges and share a similar parenting journey.

Connect to parents and carers

For coffee catch ups, find social support and connection with other parents and carers.
